TROPICAL STORM JEANNE

**MESSAGE FROM THE DIRECTOR-GENERAL OF THE CARIBBEAN REGIONAL
NEGOTIATING MACHINERY (CRNM)**

“We at the CRNM are deeply saddened by the devastation left by Tropical Storm Jeanne. Yet again, the Caribbean is confronted with another deadly natural disaster, just a few days after Hurricane Ivan ran havoc in the region.

There has been tremendous loss of life, injury and destruction of property in Haiti and the Dominican Republic. The CRNM expresses solidarity with the peoples of these two countries.

At this difficult time, our thoughts and prayers are with the people of Haiti and the Dominican Republic. Best wishes are extended for speedy rehabilitation and reconstruction.”
